

## FOUNDERS CUP REPORT

24<sup>th</sup> July 2023

### **PYRFORD LAKES GOLF CLUB**

We had a challenging venue for our third event of the year in the picturesque setting of Pyrford Lakes. The weather was appalling on the journey there (my windscreen wipers couldn't keep up at one point!) but after a welcome bacon roll, we all donned our waterproofs and braved the elements. But amazingly it quickly stopped and we were all able to finish our rounds in the dry. We entertained one of the marshalls who said he loved the commentary he overheard from a number of us on how we were going to play various holes only to find ourselves once again in one of the many lakes, ditches, rough or goose droppings! But the scores were really quite respectable for everyone with no-one apparently having a bad round.
