

FULWELL CUP REPORT

22ND JUNE 2023

One of Kent's finest, Wildernesse, in Sevenoaks, hosted The Fulwell Cup and made us very welcome on our second meeting of the year. The day went very well with good comments on the course, and hospitality for which our thanks go to Wildernesse.

The thunderstorms and heavy rain that had preceded the day had put a few bunkers out of play but did not detract from the beautiful, lush fairways and magnificent greens.

The day was very well supported with 64 entries from 33 clubs, and there were some very good scores, several with 37 and 38 points but the winners are:

Winners of the Fulwell Cup – Gill Homes and Gerry Verge from Chislehurst GC with 43 points.

Runners up on countback - Jackie Lagergren and Sue Barnes from Hadley Wood with 43 points.

Third place - Clare Brown and Radhi Nanalal from Northwood with 42 points.

Best front nine – Christine Hutchings from Harpenden Common and Rebecca Goldsmith from Tandridge with 20 points.

Best back nine - Jean Walker and Marion Sellar from Chislehurst with 25 points.
